2007-2008 Student Handbook & Calendar

#### WELCOME!

Welcome to College of The Albemarle! Students are the most important people at the college. The faculty and staff are eager to help you reach your educational and career goals. We are committed to providing an environment of mutual respect in which each member of our college will realize her/his maximum potential. There are several strategies that will help you to succeed in college:

- Know why you are here. If you are unsure of your career goal, utilize the career information provided by the college and speak with an advisor or career counselor;
- Know the requirements of your program of study. Utilize a graduation check sheet and the COA catalog to learn about the courses you need to complete. Speak to your assigned academic advisor regularly;

d

- Get the help you need from faculty, counselors, tutors, and other staff at the college. A listing of college resources is listed in the Where Do I Go? section;
- Put balance in your life. Plan time for your family, your work, your studies, and your relaxation. Use the calendar in this handbook to schedule your time;
- Develop habits for your success. For example, always keep a positive attitude.
   By doing so, you will experience a healthy, productive, and rewarding life; and
- 6. Read this handbook to begin your college career on a positive note. It is filled with information to help you succeed at COA and in your career.

Graduates of College of The Albemarle have performed well in a wide variety of careers. If you are interested to know the graduation rate of students in your program of study, please see the Registrar. Seek the assistance of faculty and staff as you need it. Get involved in college activities. Have a wonderful year!

Ray Seaffa

Rav Scaffa

Vice President, Student Development and Dean of Students

### PURPOSE OF THE COLLEGE

The purpose of College of The Albemarle is to provide accessible education, training, and retraining for better jobs and better lives in northeastern North Carolina.

#### MISSION STATEMENT

In keeping with the mission of the North Carolina Community College System, College of The Albernarie opens the door to high-quality, accessible educational opportunities that minimize barriers to post-secondary education, maximize student success, and improve the lives and well being of individuals by providing:

- Education, training, and retraining for the adult work force in a global economy, including literacy education, occupational, and pre-baccalaureate programs;
- Support for economic development through services to business and industry;
- Services to communities and individuals which promote the quality of life; and
- An environment that promotes job satisfaction and career development for faculty and staff.

Registration Begins	Classes Begin End of 75% Refund Period (First 8-week session) Martin Luther King, Jr. Holiday End of 75% Refund Period (16-week session)	Faculty/Staff Professional Development (no classes)	First Day of Second 8-Week Session	Classes End Exam Week Semester Ends

## SUMMER SESSION 2008

Registration Begins Monday, April 7	
Classes Begin Monday, May 19	
End of 75% Refund Period (10-week session)Thursday, May 22	
Last Day to Withdraw w/o Grade Penalty (10-week session)	
First Day of Second 5-Week Session	
End of 75% Refund Period (Seond 5-week session)	
July 4th Holiday Friday, July 4	
Summer Semester Ends	
Summer Commencement	

## Grade Point Average (GPA) Computation

Your semester grade point average is calculated by dividing the number of quality points earned in a semester by the number of credit hours attempted in a semester. Your cumulative grade point average is figured the same way using totals from all semesters.

<u>mample.</u> John Doe attended COA last spring semester. He enrolled in five classes his final syrades were as follows:

grades were as follows:	lows:					
Course	Grade	Semester Hrs. Towards GPA		Quality Points		Totals
ENG 111	V	3	×	4	п	12
BIO 111	LL	4	×	0	11	0
HIS 121	В	က	×	3	11	6
PED 130	V	1	×	4	11	4
MAT 080	BB	01	×	0	н	01
		11				25

## Divide: 25 divided by 11 = 2.27 (Grade Point Average)

### ACADEMIC ADVISEMENT

One of the most important activities you will engage in while at the college is the process of academic advisement. Academic advisement is a time for you and an advisor to discuss your academic and career goals, to explore options, and to make informed decisions on a regular basis. You will be assigned an advisor from among the faculty of the academic department representing your major area of study. If you are undecided about your major, you will be assigned to a Student Development advisor.

It is important that you maintain contact with your advisor throughout your enrollment. Faculty advisors post a schedule of office hours, and you should feel free to call on them anytime you need assistance. Your advisor will assist you in selecting courses, planning your schedule, and registering for your classes.

One of the most successful ways to ensure a successful academic career is to utilize the academic advising process.

## How to Prepare for an Advising Appointment

- Make your appointment EARLY.
- Keep your appointment or call in advance to cancel so that someone else may have the time slot.
- Be on time.
- Review materials that you received at orientation or during previous appointments before you go to your advising appointment.
  - before you go to your advising appointment.

    Write down any questions you wish to ask your advisor.
- Take appropriate materials to the advising appointment (pen/pencil, catalog, graduation check sheet, class schedule booklet, trial schedule of classes, etc.)
- Follow through on referrals and recommendations that are made during the advising sessions.

#### Advising Tools

The following resources are available to help you in the advising process. Collect this information and keep it on file and available to take with you when you meet your advisor.

#### College Catalog

The college catalog contains information about academic policies and regulations, the curriculum for each academic program, and course descriptions for each course offered. The course descriptions will show any prerequisite or co-requisite courses or any special restrictions. semester. You should also discuss with your advisor courses that are only offered certain should read all course descriptions and discuss with your advisor before registering each semesters or on a limited basis and how this affects prerequisites.

### **Graduation Check Sheet**

pursuing a degree or diploma. Graduation check Sheets may be obtained from your advisor, the You should maintain an up-to-date Graduation Check Sheet for the program for which you are Student Development office, or on COA's website at www.albemarle.edu.

### COA Schedule of Classes

The COA Schedule of Classes is the official schedule of classes published each semester. In addition to course listings offered, the Schedule also provides the following:

- Dates to begin registration
- First day of classes
- Last day to register or drop/add classes
- Deadline to pay tuition/fees
  - Tuition refund period

before meeting with your advisor. Remember to use your Graduation Check Sheet as a guide for You should use the COA Class Schedule for the upcoming semester to prepare a trial schedule preparing your class schedule.

## STUDENT DEVELOPMENT INFORMATION

- To learn about college programs, services, and resources, attend an Orientation Session before you enroll in classes.
- To register for classes or drop and add a course, see your assigned academic advisor. Your advisor will help you complete the necessary paperwork. If you do not have an assigned academic advisor, see an advisor in Student Development.
- · You are notified by mail when you are assigned an academic advisor. If you cannot remember who your advisor is, contact Student Development.
- To withdraw from all your classes, see your assigned academic advisor. If you do not have an assigned academic advisor, see an advisor in Student Development.
- To change your major, complete a Student Information Change form available in Student Development or from your assigned academic advisor.
- · To update your name, address, or phone number, complete a Student Information Change form available in Student Development or from your assigned academic advisor.
- in the mail, you may obtain one in Student Development and complete it during the fall semester To apply for graduation, complete the application mailed to you during the fall semester before the spring or summer graduation for which you are eligible. If you do not receive an application before you plan to graduate.

#### STUDENT CONDUCT

College students are considered to be mature individuals. Their conduct. both on and off campus, is expected to be that of responsible adults in public places. Common courtesy to know and follow the college regulations as recorded in the college catalog regarding and cooperation are the basic rules for conduct at the college. Students are required academic integrity and courtesy/social behavior.

#### Plaqiarism

words, or ideas. Those processes are not the mark of a competent student; students who Cheating and plagiarism are those processes of utilizing as one's own, another's work, cheat or plagiarize are subject to disciplinary action by the college.

class reserves the right not to grade the assignment and to give the student a zero. Use a unreasonably in any level of any foreign language class offered, the instructor of that Jsing a translator to translate work from English to another language is the same as plagiarism. If it is determined that a translator, online or otherwise, has been used

#### Dress Code

Students should keep in mind that they may have an opportunity to meet their prospective academic intent of the college and in a manner acceptable to the community. COA invites prospective employers and business leaders on campus throughout the academic year. The college expects all students to dress in a manner in keeping with the serious employers, and first impressions are lasting impressions.

appropriate dress within the generally accepted bounds of good taste. Although the college wearing clothing that is sexually suggestive or revealing. Students will not be permitted to does not intend to impose upon individual style or creativity, students are prohibited from n light of these considerations, students are expected to use their own judgment in dress in a manner which disrupts the educational environment.

hats should not be worn in any classroom except in certain circumstances which may be appearance at all times. Shirts and shoes are required while the student is on campus or while attending a COA activity, function, or event off the COA campus. Caps and While students may dress casually, they should present a clean and appropriate approved by the faculty member in charge.

at all times while in class. A student may not attend classes or laboratory work conducted in the clinical or laboratory areas if such student is in violation of the dress codes for such special attire for clinical or laboratory areas. BLET student are required to wear uniforms Certain technical or vocational curricula, such as the allied health programs, may require Students are expected to dress in a manner appropriate to their major area of study.

Students who fail to adhere to the above guidelines are not allowed in any campus facility and are subject to disciplinary action which may include suspension and/or expulsion.

# **College Transfer & Teacher Preparation**

Interested in transferring to a four-year college or university? Then either COA's two-year Associate in Arts or Associate in Science degree is for you. The curriculum for each is sufficiently broad-based to allow graduates, after two years at College of The Albemarle, to transfer with junior-level status into many academic or pre-professional programs. These programs are also suited to students who prefer a broad education background without definite transfer plans.

#### Associate in Arts

An Associate in Arts degree prepares students for academic areas such as economics, education, psychology, and English or for pre-professional areas such as medicine, law, criminal justice, pharmacy, and other business-related activities.

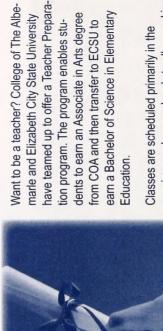

#### Associate in Science

An Associate in Science degree prepares students to continue their studies in science, mathematics, or related fields.

For information on COA's College Transfer programs, contact Bobby Adams at 252-335-0821, ext. 2203, or the Admissions Office at 252-335-0821, ext. 2290 (Elizabeth City), or 252-473-2264 (Dare County Campus). Information is also available at COA's website:

## www.albemarle.edu

"Man's onnd, once stretched by a new idea, never regains its original dimensions."
---Oliver Wendell Holones, Jr.

Classes are scheduled primarily in the evenings and on weekends to allow working adults to further their education.

For students at COA's Dare County Campus, upon completion of their two-year degree, ECSU faculty will teach classes at the COA campus in Manteo, eliminating their need to travel to Elizabeth City for classes.

For information on the Teacher Preparation program, contact Jeff Carter at 252-335-0821, ext. 2260, or LuAnn Riddick at 252-335-0821, ext. 2215.

## Health Sciences

College of The Albemarle offers several programs of study in the fast-growing health sciences industry. Programs include short-term training through the college's Corporate & Continuing Education division, one-year diploma programs, and two-year associate degree programs.

## **Health Science Programs**

Certified Nursing Assistant (CNA) I (short-term certificate, eight weeks)
Certified Nursing Assistant (CNA) II (short-term certificate, eight weeks)
Phlebotomy (short-term certificate, sixteen weeks)

Surgical Technology (one-year diploma)

Practical Nursing (one-year diploma)

Medical Assisting (one-year diploma and two-year associate in applied science degree)

Medical Laboratory Technology (two-year associate in applied science

Associate Degree Nursing (two-year associate in applied science degree) LPN-ADN Option (two-year associate in applied science degree)

#### Contact Information

For information on COA's Certified Nursing Assistant programs, please contact Corporate & Continuing Education at 252-335-0821, ext. 2250. For information on COA's other Health Science programs, please contact Martha Johnson at 252-335-0821, ext. 2328, or visit COA's website at:

# Cosmetology & Nail Technology

#### Cosmetoloc

The Cosmetology curriculum provides basic and comprehensive cosmetology concepts, basic salon services including shampooing, rinsing, cutting, coloring, permanent waving, pressing, relaxing, and styling hair. Additional concepts include safety, product knowledge, salon management, and salesmanship. The curriculum provides experience in a simulated salon environment which enables students to develop manipulative skills. The Cosmetology curriculum includes a one year diploma program or a shorter certificate program

#### Nail Technology

The Nail Technology curriculum provides competency-based knowledge, scientific/artistic principles, and hand-on fundamentals associated with the nail technology industry. The curriculum provides a simulated salon environment which enables students to develop manipulative skills. The Nail Technology Program is a certificate program.

#### Contact Information

For information on COA's Cosmetology and Nail Technology programs, please contact Dara Harrell at 252-335-0821, ext. 2272, or visit COA's website at:

# **Architectural Technology**

College of The Albemarle's Architectural Technology program is part of the Engineering Technologies Department. The program provides a foundation on which students may build a career in architecture, engineering, and/or construction professions. Coursework combines hands-on lab and practical experience with traditional classroom instruction.

Students can select a two-year associate in applied science degree program, one-year diploma program, or shorter-term certificate program.

## Other Engineering Technology Programs

In addition to Architectural Technology, COA offers Computer Engineering Technology in an associate in applied science degree and certificate program.

#### Contact Information

For information on the Architectural Technology program, contact Charles Purser at 252-335-0821, ext. 2327. For information on either of COA's Engineering Technology programs, contact the Admissions Office at 252-335-0821 ext. 2290, or visit COA's website at:

## Fine Arts

College of The Albemarle offers a two-year Associate in Fine Arts degree for students interested in a fine arts education. The program covers fundamental courses required of freshman and sophomore art, music, and drama majors at four-year institutions. The curriculum for each is sufficiently broad-based to allow graduates, after two years at College of The Albemarle, to transfer with junior-level status into many fine arts programs. The Fine Arts program is also suited to students who prefer a broad education background without definite transfer plans. COA offers several fine art concentrations:

# **Professional Crafts - Jewelry**

North Carolina enjoys a rich history in professional crafts and the Outer Banks region has long proved fertile ground for artists and artisans. College of The Albemarle offers a Professional Craft - Jewelry program at its Dare County Campus.

This program combine hands-on studio experience with classroom instruction and offers a two-year associate in applied science degree, one-year diploma, and short-term certificates. Graduates are prepared for employment as professional artisans or in artisan-related fields. The programs include practical experience in design and application of technical skills and marketing and business fundamentals, preparing students to open and operate their own business or studio.

Professional crafts are currently a \$14 billion dollar business, which is expected to grow in the next several years. Demand for locally made crafts is very high, particularly in tourist areas.

#### Contact Information

For information on COA's Professional Crafts program, contact Lori Britt at 252-473-2264, ext. 223. Information is also available from COA's website at:

## **Culinary Technology**

Culinary Technology is part of COA's Public Services Technology Department and offers a two-year associate in applied science degree program, a one-year diploma program, and a short-term certificate program.

Culinary Technology blends the specialized culinary skills of food preparation, management, and service with critical thinking, clear communication, business ethics, and teamwork skills. Coursework offers hands-on experience and instruction in food and beverage services and control, baking, American and international cuisine, food production, and hospitality supervision.

## Other Public Service Technology Programs

COA offers a wide variety of public service-related two-year degrees and short-term certificates. Offerings include:

Basic Law Enforcement Training

Cosmetology

Cosmetology Instructor and Manicuring Instructor

Criminal Justice Technology

Early Childhood Associate

Office Systems Technology
Word Processing and Receptionist

## Marine Science

Northeastern North Carolina's close proximity to a variety of marine environments including open ocean, salt marsh, estuary and maritime forest make it an ideal place to study the marine sciences. This program is offered at College of The Albemarle's Dare County Campus.

The Marine Sciences curriculum is offered as a two-year associate in applied science degree as well as short-term certificates in Biological Marine Science, General Marine Technology, Fishing, or Captain's certificate.

The diversity of the program provides skills necessary for employment as marine technicians or in the commercial fishing and the growing eco-tourism industries.

## Secondary Education

College of The Albemarle offers two programs that provide opportunities for high school students to take college-level courses and earn college credit: Concurrent Enrollment and Huskins Bill.

### **Concurrent Enrollment**

High school students 16 years of age or older may be eligible to take certain courses at COA free of tuition and registration fees. Students must meet the same pre-requisite and college admissions requirements as adult community college students and be recommended by high school administrators. For details on eligibility and more information on concurrent enrollment, please contact Rita Jennings at 252-335-0821, ext. 2256.

#### Huskins Bill

College of The Albernarle also works with local high schools to provide college-level courses specifically created for high school students meeting specific requirements. Students are exempt from applicable tuition, and courses are developed by COA and local high schools. All courses delivered meet the same academic rigor as those delivered to adult college students, using college-level textbooks and course materials. For more information on the Huskins Bill program, please contact Rita Jennings at 252-335-0821, ext. 2256.

## Industrial Programs

College of The Albemarle has a new, state-of-theart Industrial Training Center at its Edenton-Chowan Campus. The center features classrooms and labs built specifically for programs offered: Electrical/Electronics Technology, Air Conditioning, Heating and Refrigeration Technology (HVAC), and Building Construction Technology. Each curriculum offers a one-year diploma program as well as two certificate programs: Level I and Level II. Certificate programs allow students to earn credentials to get started in the industry in as little as one semester.

Companies need qualified, trained workers to remain competitive, and while a formal education isn't necessary to get a job in the industry, it may be necessary to climb the career ladder and provide greater opportunities.

#### Contact Information

For information on any of COA's Industrial programs, contact Michael Partyka at 252-482-7900, ext. 2429, the Admissions Office at 252-335-0821, ext. 2290, or visit COA's website at:

# Computer Information Technology

The Computer Information Technology curriculum is designed to prepare graduates for employment with organizations that use computer to process, manage, and communicate information. This is a flexible program, designed to meet community information system needs. Studies and course work will provide experience for students to implement, support, and customize industrystandard information systems. Graduates of this associate in applied science program, should qualify for a wide variety of computer-related, entry-level positions that provide opportunities for advancement with increasing experience and on-going training. Duties may include systems maintenance and troubleshooting, support and training, and business applications design and implementation.

#### Contact Information

For information on COA's Computer Information Technology program, contact Jane Rossman at 252-335-0821, ext. 2353, the Admissions Office at 252-335-0821, ext. 2290, or visit COA's website at:
